

# Information for competitors

## Plan of complex

## Accommodation

- Camp site is equipped with electrical connections. These outlets are designed for usual electrical appliances, not for heating or cooking. Accommodated persons can use kitchen, located within main building.

## Parking

- Competitors, accommodated in airfield can park in camp area.
- Competitors, accommodated in bungalows can park straight at bungalows.
- Competitors, accommodated in main building can park next to camp area.
- Competitors, accommodated outside airfield can park on reserved place between the access road and safety net.
- Visitors can park on reserved place outside airfield.
- Parking places are grassy, please to keep modest behaviour to them.

## Catering

- Catering for whole contest duration is ensured within main airfield building.
- Outside the airfield we can recommend the restaurant „Pod Kaplickou“ at Ivancice ([www.pod-kaplickou.cz](http://www.pod-kaplickou.cz))

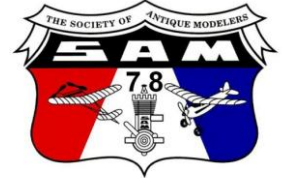

## Flying rules

- Flying place is separated with safety net, flying behind this border is prohibited. The competitors are requested to respect the safety border.
- The competitors are requested to move within flying place only by preparing aircrafts and by flying.
- There is space for preparing aircraft models along the safety net, which is equipped with electrical outlets.

## Non competition activities

- Interesting places in the vicinity are presented on [www.sam78.cz](http://www.sam78.cz).
- Optionally can be arranged the trip to the Museum of brewing industry in Dalesice ([www.pivovar-dalesice.cz](http://www.pivovar-dalesice.cz)). Detailed informations will be available by registration.
